An opportunity to network, learn and share!

A follow up to our COVID-19 related series of Volunteer Now Members' Sessions looking at volunteering across themes:

Volunteering in Youth Groups in light of Covid-19 - how are things going?

24th September 2020

2pm-3pm

Covid-19 has changed how we do so many things and volunteering is no exception. The measures such as social distancing, hand sanitising and wearing face coverings, mean that volunteering activities and roles have to be managed and carried out very differently.

The session will give you an opportunity to talk to colleagues working in a similar field about your experiences of **managing and supporting volunteers under these new circumstances**. **You can hear how others are implementing the measures**, share ideas, tips and strategies for **dealing with any** issues or challenges.

If you are interested in attending, please contact sandra.faulkner@volunteernow.co.uk to book a place. You will then be sent a link and joining instructions.
